So don't think you have to bring the entire contents of your kitchen cupboard with you – you can buy lots of delicious local products in the village!

Sleeps 2

The Old Piggery is a small but perfectly formed 'upside down' cottage – ideal for a romantic break for two.

Dogs very welcome

Some cottage owners tolerate dogs (provided they don't go upstairs, sit on the furniture, bark, drop a single hair etc etc.). We're different. At The Old Piggery we truly welcome dogs. They deserve a holiday as much as you, and if they enjoy themselves, then you are more likely to enjoy yourself. A welcome pack is provided for dogs, including "I'm on holiday" dog tags, and a bag of home made tuna bread treats. A dog bed, doggie towels and poo bags a-plenty are also provided.

How much?

You can enjoy a week's break at The Old Piggery during 2015 for between £350 and £500 per week – linen, towels and gas/electricity is included in this price. No extra charge is made for dogs. Last minute short breaks may also be available – please call us to enquire. If you're interested in booking, please call or email us to check availability, and we'll send you a booking form.
